2008 CHRYSLER

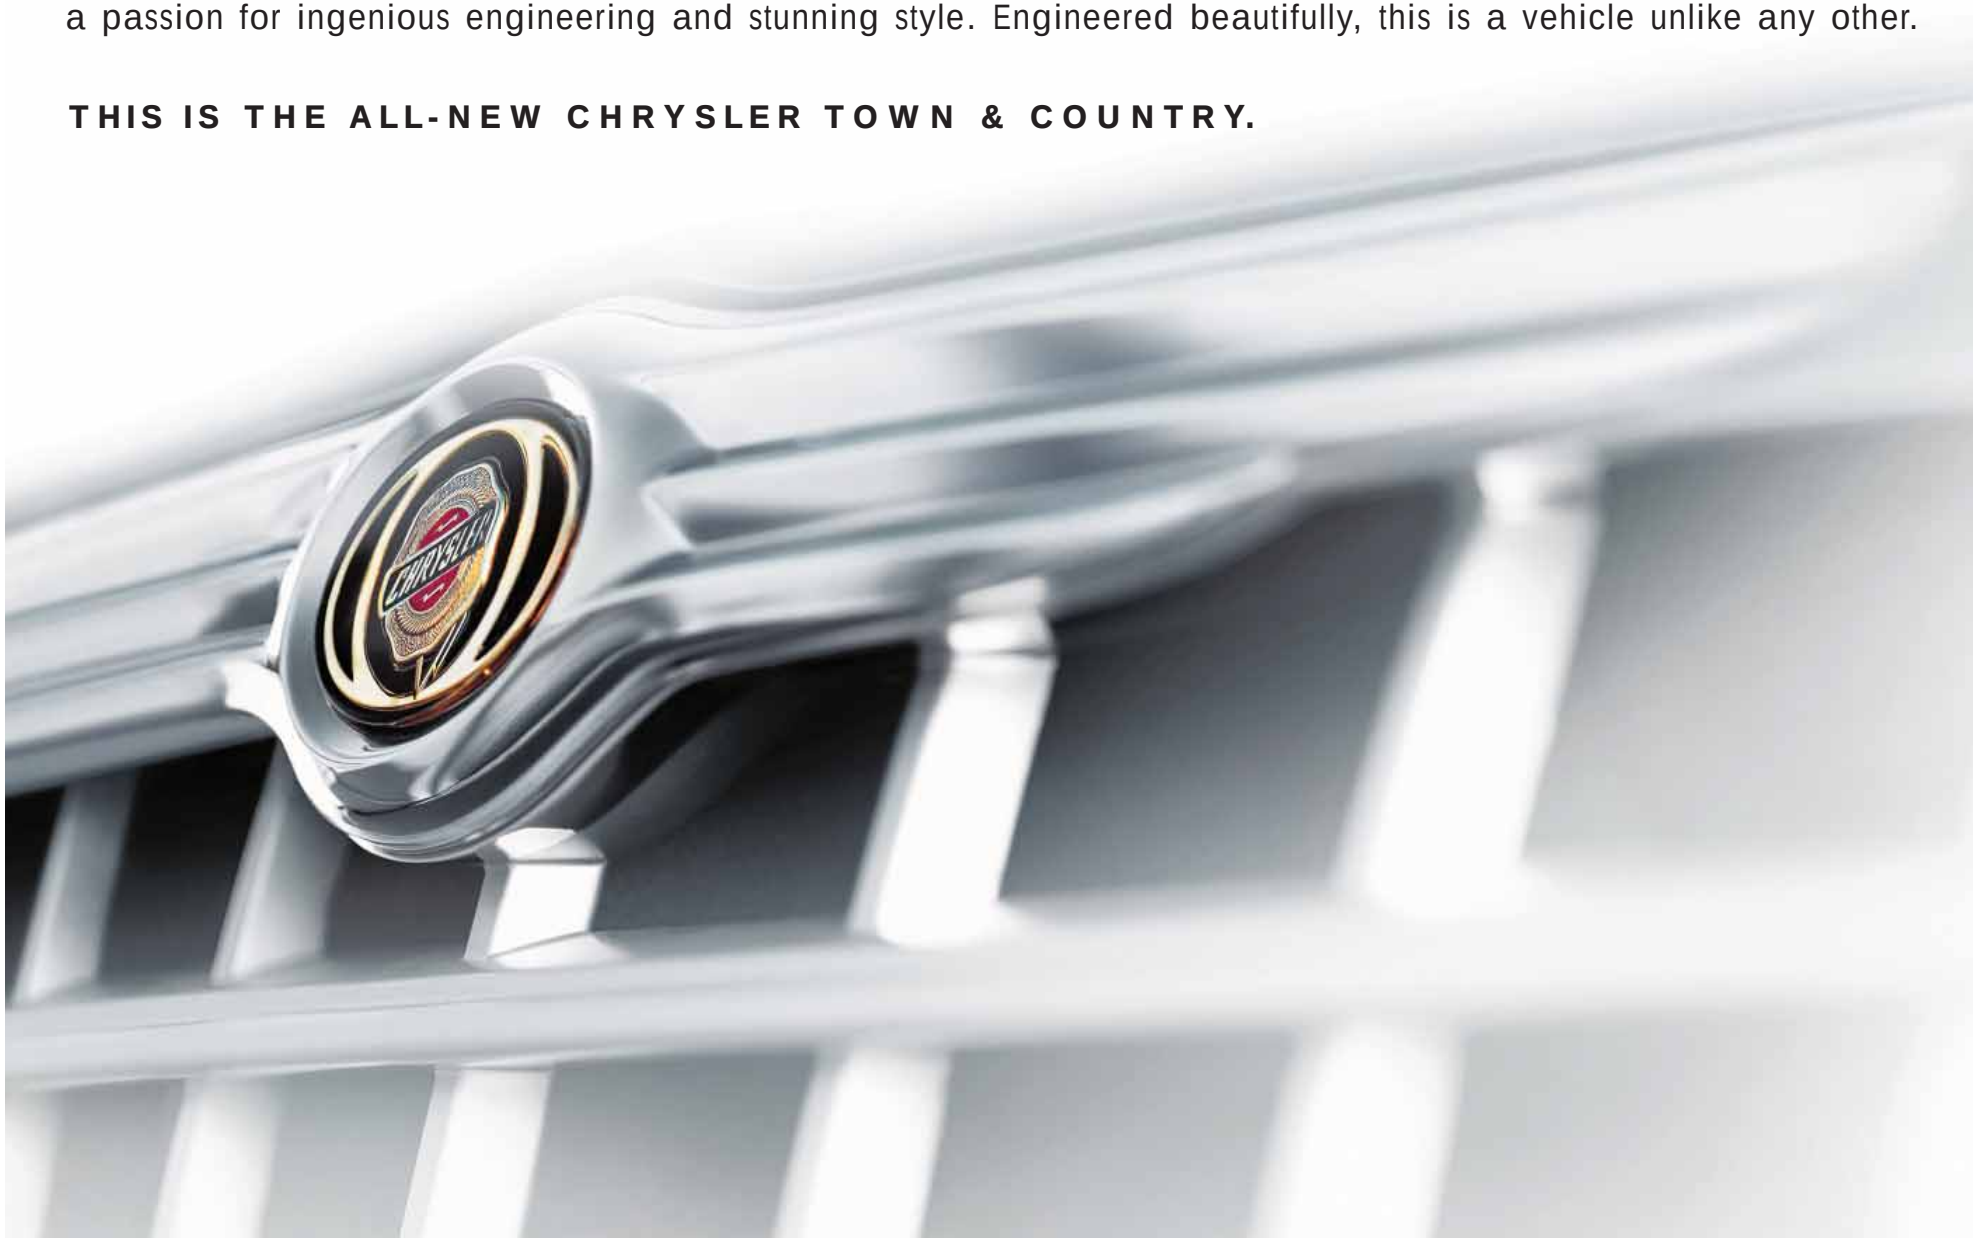
TOWN & COUNTRY

CHRYSLER

ENGINEERED BEAUTIFULLY

It is a place where engineering and beauty come together. It embodies a convergence of craftsmanship with technology and functionality with design. Built to entice with every drive in the most natural of manners, it represents a passion for ingenious engineering and stunning style. Engineered beautifully, this is a vehicle unlike any other.

THIS IS THE ALL-NEW CHRYSLER TOWN & COUNTRY.



Town & Country Limited in Clearwater Blue Pearl

SEATING

Leave it to Chrysler to take the flexibility, comfort, and convenience of the minivan to an altogether higher level. With the most innovations since its groundbreaking introduction, the all-new Town & Country offers 35 new or improved features. An exciting all-new feature is the available Swivel 'n Go™ seating system,* with second- and third-row in-floor storage bins, removable and stowable table,† and removable second-row seats. The second-row captain's chairs rotate 180 degrees and lock for enhanced face-to-face gaming and dining activities, and also turn outward to facilitate easier ingress and egress. The legendary Stow 'n Go® seating and storage option includes second- and third-row in-floor storage bins and fold-in-floor seats. With such a multitude of seating and storage solutions, the all-new 2008 Town & Country helps your life unfold in infinite ways.

*Seat must be locked in forward or rearward mode while vehicle is in motion. Child restraints must only be used when seats are in forward-facing mode. Children 12 and under should always be seated in the rear seats properly restrained in a child seat or the vehicle seat belt. †Tabletop must be installed in base at all times when in use. When not in use, table and base must be properly stowed. Never drive with table installed without properly using your seat belts.

Town & Country Limited Swivel 'n Go interior in Cream

The all-new Town & Country will certainly turn heads. Available Swivel 'n Go seating* can even help boost the amount of family fun to be had during eye-to-eye activities. Second-row seats are also available with integrated child booster seats.‡ The available power third-row 60/40 split-folding bench can be positioned effortlessly, thanks to a new one-touch push-button control panel and a power recline feature. While parked, tumble the third-row seat backward to tailgate in style.

‡Booster seat is only for children under 57" tall, between 48 and 85 pounds. Always buckle seat belt properly.

Town & Country Limited Swivel 'n Go interior in Cream leather trim first- and second-row seats with suede microfiber accents

As the originator of the minivan, Chrysler continues to innovate and redefine it. Available Swivel 'n Go™ seating* works in a variety of ways to prove the point. Second-row seats rotate 180 degrees to face backward. They also rotate 90 degrees to make entering and exiting the vehicle even easier. The seats can also be removed completely. Call a family meeting around the Swivel 'n Go table† and watch attendance soar.

After use as a game table, worktable, and dining table, it might be time to rearrange the furniture. This handy activity table† can be easily removed and stored in covered second-row floor bins.

*Seat must be locked in forward or rearward mode while vehicle is in motion. Child restraints must only be used when seats are in forward-facing mode. Children 12 and under should always be seated in the rear seats properly restrained in a child seat or the vehicle seat belt.

†Tabletop must be installed in base at all times when in use. When not in use, table and base must be properly stowed. Never drive with table installed without properly using your seat belts.

Town & Country Touring Stow 'n Go interior in Light Shale YES Essentials® Seat Fabric*

Clever, spontaneous, and convenient, available Stow 'n Go® seating and storage means never having to remove a seat again and still having all the space you need for passengers or cargo in any combination. Second- and third-row seats disappear into the floor for a flat cargo floor that offers plenty of cargo room. With the seats in their upright position, Stow 'n Go provides second- and third-row in-floor storage bins.

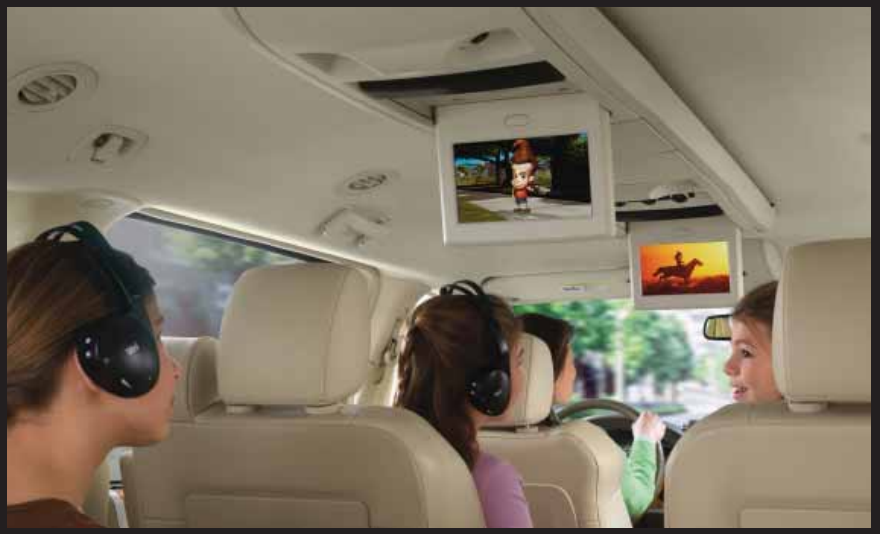
* Not compatible with aftermarket fabric-protecting coatings. Go to yesessentials.com for care details.

LIMITED

The all-new Town & Country Limited delivers premium convenience and luxury throughout. Start by choosing your preferred seating option: all-new Swivel 'n Go™* or always-popular Stow 'n Go.® Either selection affords literally hundreds of possible combinations for handling up to seven passengers or innumerable types of cargo. Heated first- and second-row leather-trimmed seats are also standard. A third-row 60/40 split bench provides a rear-facing tailgate position when parked. Ultimate storage flexibility is achieved via features such as the all-new removable premium floor console with sliding upper tray, dual glove boxes, and overhead console with built-in LED swivel lamps and surrounding cool-toned halo lighting. An automatic three-zone climate control system can be tailored to individual comfort levels. A powerful 4.0L V6 engine paired with a smooth-shifting six-speed automatic transmission offers assurance on the road. Automatic HID headlamps, integrated fog lamps, security alarm, and remote start system supply additional peace of mind.

*Seat must be locked in forward or rearward mode while vehicle is in motion. Child restraints must only be used when seats are in forward-facing mode. Children 12 and under should always be seated in the rear seats properly restrained in a child seat or the vehicle seat belt. Tabletop must be installed in base at all times when in use. When not in use, table and base must be properly stowed. Never drive with table installed without properly using your seat belts.

Town & Country Limited in Light Sandstone Metallic



Exclusive SIRIUS Backseat TV* is available to provide streaming video from Nickelodeon,™ Disney Channel,™ and Cartoon Network.™ Available dual DVD screens fold down from the new overhead console. Wireless headphones are the height of technology and comfort. The upper tray of the all-new premium removable floor console can be adjusted to reveal handy storage bins and to make its cup holders accessible for second-row passengers.

*Must have dual DVD screens. "SIRIUS," "SIRIUS Backseat TV," the SIRIUS dog logo, and related marks are trademarks of SIRIUS Satellite Radio Inc. All rights reserved. © 2007 Viacom International Inc. All rights reserved. Nickelodeon, The Adventures of Jimmy Neutron, Boy Genius and all related titles, logos and characters are trademarks of Viacom International Inc. Prices and programming are subject to change. Not available in AK and HI.

Town & Country Limited in Modern Blue Pearl

Over two decades worth of experience, worldwide sales over 11 million, and a list of 40 minivan segment-first features all attest to the simple fact that Chrysler is the undisputed minivan leader. Now, a dramatically redesigned exterior presents a stylishly sturdy silhouette when viewed from any angle. Integrated fog lamps, chrome front fascia inserts and body-side accents, multifunction chrome side mirrors with supplemental signals, and 17-inch chrome-clad aluminum wheels further distinguish the all-new Town & Country Limited.

Town & Country Limited instrument panel

Town & Country Limited invites you inside the evolution of a legend. Simulated burl and Satin Silver accents throughout raise Town & Country Limited to the pinnacle of luxury. The standard touch-screen MyGIG® Multimedia Entertainment System brings multiple technologies together in one convenient place. A 20GB hard drive stores up to 2,500 songs. The up-front USB port means you can download virtually any file, including JPEGs for photos. There is also an available touch-screen MyGIG Multimedia Infotainment System* with Navigation and real-time traffic via SIRIUS Satellite Radio.†

*MyGIG in-dash DVD capability is not available in all states. See your dealer for details. †"SIRIUS" and the SIRIUS dog logo are registered trademarks of SIRIUS Satellite Radio Inc. All other trademarks, service marks and logos are the property of their respective owners. All rights reserved. For full terms and conditions, visit sirius.com. Prices and programming are subject to change. Not available in AK and HI.

TOURING

The all-new Town & Country Touring is the definition of a moving experience. Standard Stow 'n Go® seating (or available Swivel 'n Go™ seating) provides almost unlimited possibilities and allows you to proceed quickly and easily from seven-passenger seating capacity to immense amounts of usable cargo space. Take comfort in available heated first- and second-row seats in standard YES Essentials® stain resistant, odor resistant, antistatic seat fabric* or upgrade even further to available heated leather-trimmed seating surfaces. A Tire Pressure Monitoring System and four-wheel disc antilock brake system (ABS) offer added assurance underway. A powerful 3.8L V6 engine and smooth-shifting six-speed automatic transmission make excellent traveling companions. Town & Country's rigid body structure contributes to solid, sure-footed ride and handling characteristics and also minimizes the transmission of road noise, vibration, and harshness (NVH). Touring simply leaves nothing behind.

*Not compatible with aftermarket fabric-protecting coatings. Go to yesessentials.com for care details.

Town & Country Touring in Deep Crimson Crystal Pearl

The standard power liftgate with Obstacle Detection System* is easily activated by the remote keyless entry key fob or by a button located in the cargo area. New overhead LED swivel lamps focus bright white light where it is needed, and available second- and third-row retractable shades can help keep all types of unwanted light out. An available power moonroof offers one-touch control to let the sunlight in. Also second-row passengers can enjoy available side-door power windows of their very own.

*Detects most obstacles. As with all electronically controlled systems, care is advised.

Town & Country Touring in Bright Silver Metallic

Enjoy the ride and the arrival when you journey in the all-new Town & Country Touring. Standard power liftgate, power-sliding driver and passenger-side doors with obstacle detection* ease the comings and goings of busy families and friends. Available Swivel 'n Go™ seating† and standard Stow 'n Go® seating accommodate a variety of passengers and cargo needs.

*Detects most obstacles. As with all electronically controlled systems, care is advised. †Seat must be locked in forward or rearward mode while vehicle is in motion. Child restraints must only be used when seats are in forward-facing mode. Children 12 and under should always be seated in the rear seats properly restrained in a child seat or the vehicle seat belt. Tabletop must be installed in base at all times when in use. When not in use, table and base must be properly stowed. Never drive with table installed without properly using your seat belts.

LX

Town & Country LX builds upon a history of proven innovation and provides exceptional value, versatility, and advanced safety and security features. Standard features include removable second-row two-passenger bench, third-row 60/40 split bench with fold-in-floor convenience, removable floor console with four cup holders, in-floor storage bins, AM/FM/CD/MP3 radio, rearview conversation mirror, air conditioning, power front windows, power door locks, an auxiliary 12-volt power outlet, 3.3L V6 Flex Fuel engine,* side-curtain air bags,† four-wheel disc antilock brake system (ABS), and Electronic Stability Program (ESP)‡ with Brake Assist and traction control. Available Authentic Chrysler Accessories by Mopar further personalize your LX with amenities like Molded Running Boards, making entry and exit easier for every member of your family. After all, Town & Country LX is from the best-selling family of minivans.§

*3.3L Flex Fuel V6 engine not available in CA, MA, ME, NY or VT. 3.3L gasoline V6 engine will be substituted. †Always sit properly in the seat with the seat belt fastened. Children 12 and under should always be in a backseat correctly using an infant or child restraint system or the seat belt positioned correctly for the child's age and weight. ‡No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESP warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear seat belts. §Based on sales from 1984 to 2007.

Town & Country LX in Brilliant Black Crystal Pearl shown with Premium Molded Running Boards, an Authentic Chrysler Accessory by Mopar.

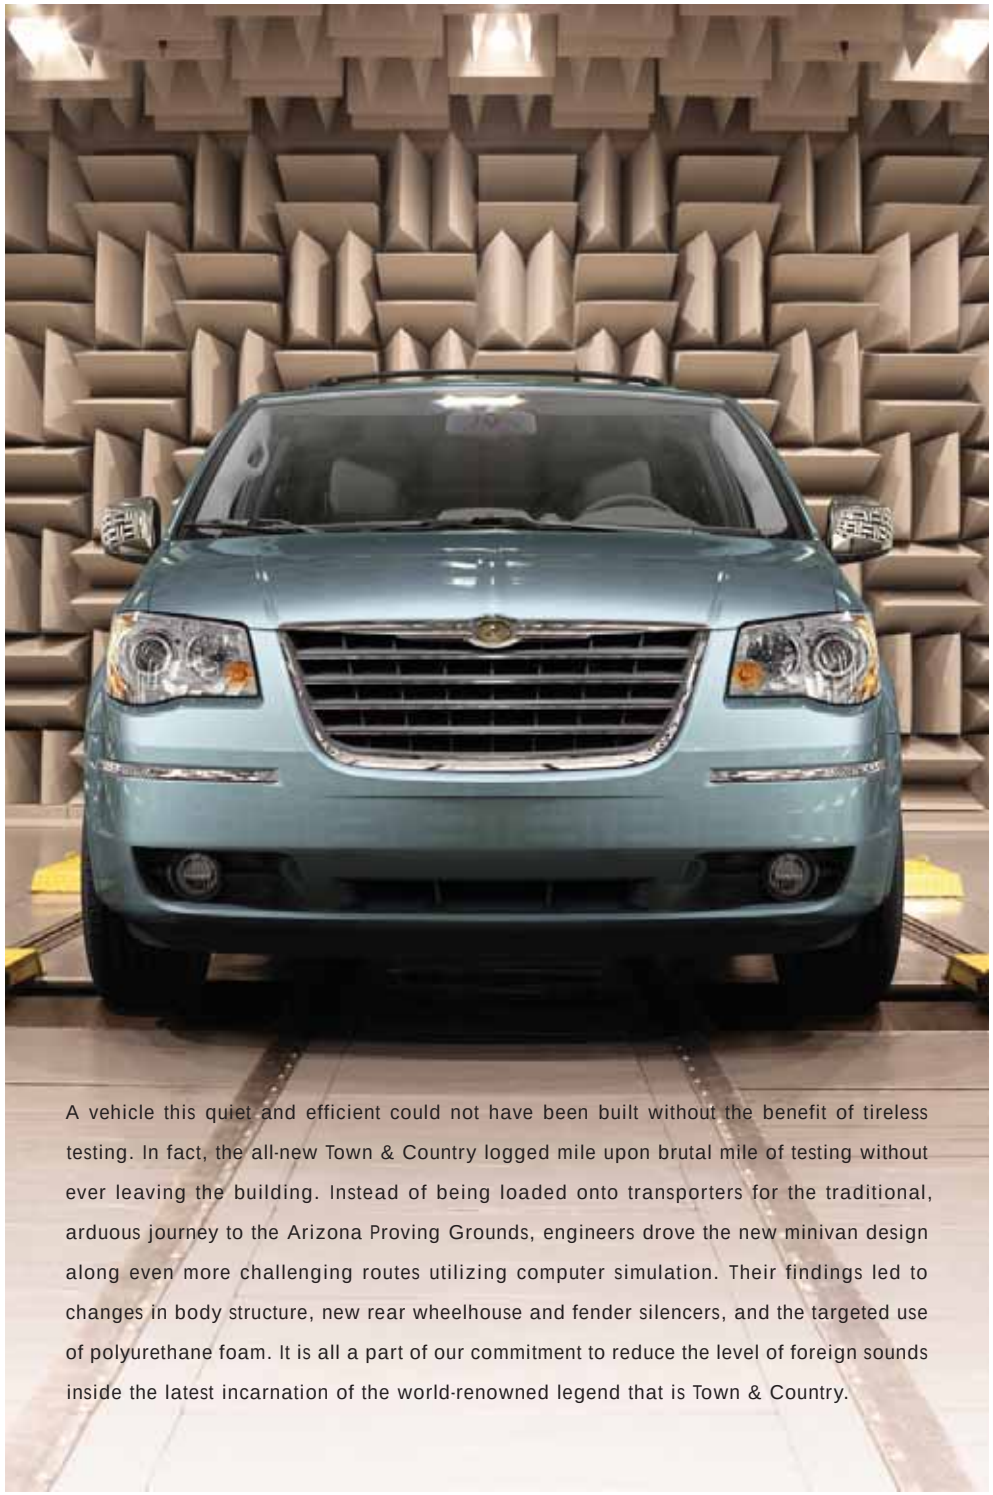
Younger passengers using the second-row bench can benefit from the available Integrated Child Seats.* An all-new standard dual glove box offers conveniently located storage space that stays organized. YES Essentials® stain resistant, odor resistant, antistatic seat fabric† is standard issue. Your passengers can relax and enjoy the ride when they are occupied with an available overhead DVD screen. An all-new removable floor console with four cup holders is also standard equipment that is sure to be appreciated.

*For children at least one year old, weighing between 22 and 50 pounds and no more than 47 inches tall. †Not compatible with aftermarket fabric-protecting coatings. Go to yesessentials.com for care details. Hannah Montana image is provided courtesy of Disney Channel. All rights reserved.

TESTING

Over 25 years of minivan testing and refinement helped Chrysler develop the best Town & Country possible. Its longer, straighter frame rails dissipate and displace more impact energy away from occupants. Optimizing applications of high-strength steel also facilitates less intrusion into the passenger compartment. Total vehicle functionality tests were conducted in Fahrenheit temperature conditions from as low as -20 degrees up to 110 degrees. Town & Country's all-new design also features improved aerodynamics after testing in our 100-mph wind tunnel. As part of a rigorous noise, vibration and harshness (NVH) evaluation, Chrysler's four-post shaker was used to further pinpoint and reduce simulated road noise.

Top: Town & Country testing in action during a high-speed crash test. From left, functionality evaluations under extreme temperatures, improving aerodynamics with the help of a 100-mph wind tunnel, and working out NVH kinks on the four-post shaker.

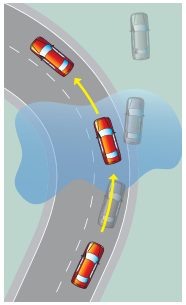


A vehicle this quiet and efficient could not have been built without the benefit of tireless testing. In fact, the all-new Town & Country logged mile upon brutal mile of testing without ever leaving the building. Instead of being loaded onto transporters for the traditional, arduous journey to the Arizona Proving Grounds, engineers drove the new minivan design along even more challenging routes utilizing computer simulation. Their findings led to changes in body structure, new rear wheelhouse and fender silencers, and the targeted use of polyurethane foam. It is all a part of our commitment to reduce the level of foreign sounds inside the latest incarnation of the world-renowned legend that is Town & Country.

SAFETY AND SECURITY

Chrysler brought the original minivan into existence nearly 25 years ago. And year after year, Town & Country has earned a distinguished reputation for safety.

- The standard Electronic Stability Program (ESP)* with Brake Assist and traction control constantly monitors the driver's input against the vehicle's actual course and, if needed, attempts to correct the vehicle's course by automatically applying the brake and/or reducing engine torque. Working together with ESP and the antilock brake system (ABS), the Brake Assist program applies maximum pressure to the brake system in the event of a panic stop.



- Advanced multistage driver and front-passenger air bags† provide front-seat impact protection. Standard side-curtain air bags† extend protection to passengers in all outboard positions of all three rows.
- HID headlamps, standard on Town & Country Limited, help spot trouble at night sooner with twice the light intensity.
- Standard side-guard door beams add extra protection in the event of a side impact.
- Available power liftgate, power-sliding driver-side door, and power-sliding passenger-side door are all equipped with an Obstacle Detection System.‡ This system is capable of detecting most obstacles in the path of a closing liftgate or door and will automatically stop and reverse the power-closing operation.
- The Sliding Door Alert System, standard on all manual and power sliding doors, warns other drivers by flashing the exterior lamps when passengers are entering or exiting the vehicle.
- A standard Tire Pressure Monitoring System continuously checks air pressure in the tires and sends a warning when appropriate.
- The available ParkView® Rear Back-Up Camera§ gives you an accurate visual reference to help you avoid most large objects when you are in Reverse during parking maneuvers.
- The standard Sentry Key® Theft-Deterrent System deters vehicle theft by making it virtually impossible to start the engine without the owner's key.

*No system, no matter now sophisticated, can repeal the laws of physics or overcome reckless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESP light in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear seat belts. †Always sit properly in the seat with the seat belt fastened. Children 12 and under should always be in a backseat correctly using an infant or child restraint system or the seat belt positioned correctly for the child's age and weight. ‡Detects most obstacles. As with all electronically controlled systems, care is advised. §Always check entire surroundings before backing up.

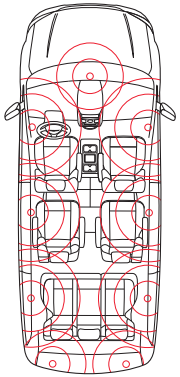
Town & Country makes safety a priority with standard side-curtain air bags.* The available ParkSense® Rear Park Assist System† delivers an audio/visual warning of objects behind the vehicle as it moves in Reverse. Available ParkView® Rear Back-Up Camera† brings a behind-vehicle view to the available MyGIG® screen. The available flashlight is both portable and rechargeable. Keep your eye on rear-seat passengers with the rearview conversation mirror.

*Always sit properly in the seat with the seat belt fastened. Children 12 and under should always be in a backseat correctly using an infant or child restraint system or the seat belt positioned correctly for the child's age and weight. †Always check entire surroundings before backing up.

Technology is most advanced when it is easy to use. Adding auxiliary 12-volt outlets and an available 115-watt volt inverter with auxiliary jacks makes gaming and battery recharging more convenient. UConnect® is available to turn your Bluetooth® capable cell phone into a hands-free in-vehicle communication system. Cool atmosphere-enhancing halo lighting surrounds the available overhead console. Dual DVD screens are available for the second and third rows. Available MyGIG® Multimedia Infotainment System* is your gateway to a colorful world of information and entertainment.

INFOTAINMENT

Stay entertained and informed in Town & Country, your high-tech home away from home. It all starts with either the available touch-screen MyGIG Multimedia Entertainment System or the available touch-screen MyGIG Multimedia Infotainment System* with Navigation and real-time traffic† via SIRIUS Satellite Radio.‡ Its 20GB hard drive stores music files, playlists, JPEG images, and more.



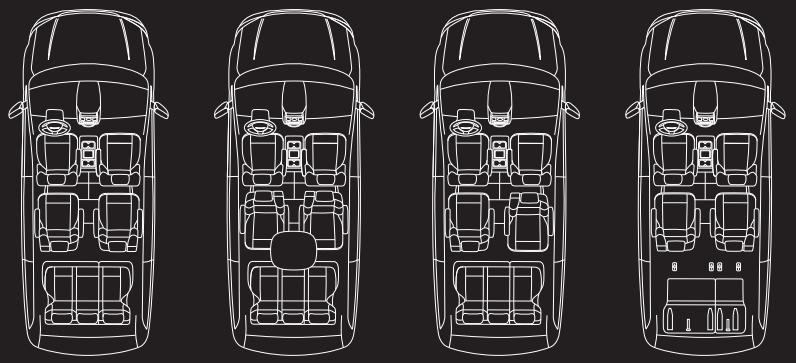
- 6.5" screen broadcasts GPS navigation mapping and supports DVD video playback when the vehicle is parked. JPEG photo viewer allows you to personalize the menu background as you would on your personal computer. Images easily import to the MyGIG hard drive through a face-mounted USB port/input jack.
- Store up to 2,500 digital music files, easily imported from your personal music player via the USB port. MyGIG also offers AM/FM/CD/MP3 playback.
- UConnect is an available voice-activated, hands-free communication system that enables seamless integration of your Bluetooth capable cellular phone.
- Surround yourself in sound with the available ∞Infinity® Audio System. Includes nine speakers, subwoofer, and an 11-channel 506-watt amplifier.
- Another exclusive to our minivans, available SIRIUS Backseat TV‡§ provides mobile editions of Nickelodeon,™ Disney Channel,™ and the Cartoon Network,™ directly broadcast to the vehicle. View on available dual DVD screens, which pull down from an all-new overhead console. These two 8" screens play independently of each other so one SIRIUS Backseat TV channel and one DVD entertainment source can be viewed simultaneously.
- Available SIRIUS Satellite Radio‡ delivers over 130 channels, including 100% commercial-free music, sports, news, talk, entertainment, traffic and weather. Factory-installed SIRIUS Satellite Radio includes a one-year subscription. For more information, go to sirius.com.

TECHNOLOGY

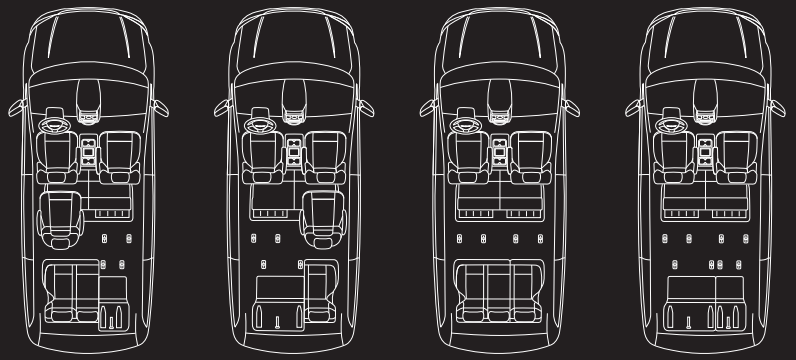
- Available HomeLink® Universal Transceiver features three programmable controls for garage door openers, interior/exterior home lighting, or security devices.
- Four airplane-inspired LED lamps are built into the available overhead console. The lamps swivel to let you direct focused, bright white light where you want it.

*MyGIG in-dash DVD capability is not available in all states. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. See your dealer for details. †Where available. ‡"SIRIUS," "SIRIUS Backseat TV," the SIRIUS dog logo, and related marks are trademarks of SIRIUS Satellite Radio Inc. Prices and programming are subject to change. Not available in AK and HI. §Must have dual DVD screens.

SWIVEL 'N GO™ SEATING CONFIGURATIONS



STOW 'N GO® SEATING CONFIGURATIONS



VERSATILITY

Easily configure the seating and storage you want by utilizing any one of over 200* possible seating arrangements to meet your every need. All-new available Swivel 'n Go† seating combines the adaptability of upright seating with outright sociability via a removable and stowable table‡ and second-row seats that rotate 180 degrees. The second-row Swivel 'n Go seats are also removable. Legendary available Stow 'n Go seating gives you the ability to either use the rear seats in an upright position for passengers or easily fold the rear seats into the floor to make the most of a spacious, flat cargo floor.

*Not all configurations can be used while vehicle is being driven. †Seat must be locked in forward or rearward mode while vehicle is in motion. Child restraints must only be used when seats are in forward-facing mode. Children 12 and under should always be seated in the rear seats properly restrained in a child seat or the vehicle seat belt. ‡Tabletop must be installed in base at all times when in use. When not in use, table and base must be properly stowed. Never drive with table installed without properly using your seat belts.

Properly secure all cargo.

CAPACITY

Chrysler Town & Country makes busy lives more organized with innovative and thoughtful storage features and easily configured seating and cargo arrangements.

- Make the most of Town & Country's flexible capacity with the available, all-new premium sliding floor console with cup holders, power outlet, and storage bins. Easily slide the console between the first and second rows, or even remove it completely to suit your needs.
- Town & Country offers an all-new standard dual glove box feature to keep even more of the items you use most often up front and easy to get to when needed.
- Every all-new Town & Country offers a third-row 60/40 split bench with tailgate feature* and in-floor second- and third-row storage bins as standard equipment. An altogether remarkable premium interior is even more remarkable with an available power third-row 60/40 split-folding bench with one-touch control and power recline features.

*Only use rear-facing tailgate feature when vehicle is parked.

S = Standard. P = Included in package noted in parentheses. O = Optional.

[1] Flex Fuel V6 engine is not available in CA, MA, ME, NY and VT. 3.3L gasoline V6 engine will be substituted [2] When power moonroof is ordered, the overhead console is replaced by two mini consoles with two bins. The sunglasses holder is deleted. [3] Not compatible with aftermarket fabric-protecting coatings. [4] For children at least one year old weighing between 22 and 50 pounds and no more than 47 inches tall. [5] Seat must be locked in forward or rearward mode while vehicle is in motion. Child restraints must only be used when seats are in forward-facing mode. Children 12 and under should always be seated in the rear seats properly restrained in a child seat or the vehicle seat belt. Tabletop must be installed to base at all times when in use. When not in use, table and base must be properly stowed. Never drive with table installed without properly using your seat belt. [6] Booster seat is only for children under 57" tall, between 48 and 85 pounds. Always buckle seat belt properly. [7] MyGIG in-dash DVD capability is not available in all states. See your dealer for details. [8] "SIRIUS," "SIRIUS Backseat TV," the SIRIUS dog logo, and related marks are trademarks of SIRIUS Satellite Radio Inc. TM & © 2007 Cartoon Network. For full terms and conditions, visit sirius.com. Prices and programming are subject to change. Not available in AK and HI. [9] Always sit properly in the seat with the seat belt fastened. Children 12 and under should always be in a backseat correctly using an infant or child restraint system or the seat belt positioned correctly for the child's age and weight. [10] No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESP warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. [11] Always check entire surroundings before backing up. [12] Must use Bluetooth compatible phone.
